Welcome Basket Program

January 2009

The Rangely Chamber has taken on the responsibility for the "Welcome Basket" program. People that are new to town are given a certificate to come and pick up a welcome basket at the town hall. The welcome baskets have information in them about the town and coupons from local businesses to promote their business.

We would like to help you promote your businesses more through this program. We think that a business flyer/brochure or even a freebie (company hats, pens, magnets, etc.) that you may already have on hand to put in the baskets would better serve the public and make them more aware of your business than just a coupon in the coupon book. We make up 15-20 baskets a quarter and they are available March, June, September and December. If you do not have any promotional items, we can still make a coupon for you to include in the basket.

Items to be included in the welcome baskets can be dropped off at the Chamber Office (675-5290) or at the Town Hall. Office hours for the Chamber are 9 am – 1 pm. If you just want to submit a coupon OR have a coupon along with what you may be donating as promotional materials, please fill out the information:

Business Name: _____
